

# Laboratory Panels

## Routine Bloodwork

### Blood work and Laboratory

#### Tests

Cascadia works with a local laboratory to get results quickly with accurate results. If more specific testing is required labs may be sent as far as Cornell or UC-Davis. These labs will be determined based on the desired test.

Routine panels recommended frequently, these may be modified based on your horses specific needs.

- ▶ Complete Blood Count (CBC)
- ▶ Chemistry Panel
- ▶ Fecal Egg Counts
- ▶ ACTH/Insulin/Glucose

For more specific information on any test please call us at:

# 360-419-6607

Results are usually complete within 1-2 business days. Please contact our office if you have not received your results within this time frame.
